Corrupt Organizations

(a) Findings of fact.--The General Assembly finds that:

(1) organized crime is a highly sophisticated, diversified, and widespread phenomenon which annually drains billions of dollars from the national economy by various patterns of unlawful conduct including the illegal use of force, fraud, and corruption;

(2) organized crime exists on a large scale within the Commonwealth of Pennsylvania, engaging in the same patterns of unlawful conduct which characterize its activities nationally;

(3) the vast amounts of money and power accumulated by organized crime are increasingly used to infiltrate and corrupt legitimate businesses operating within the Commonwealth, together with all of the techniques of violence, intimidation, and other forms of unlawful conduct through which such money and power are derived;

(4) in furtherance of such infiltration and corruption, organized crime utilizes and applies to its unlawful purposes laws of the Commonwealth of Pennsylvania conferring and relating to the privilege of engaging in various types of business and designed to insure that such businesses are conducted in furtherance of the public interest and the general economic welfare of the Commonwealth;

(5) such infiltration and corruption provide an outlet for illegally obtained capital, harm innocent investors, entrepreneurs, merchants and consumers, interfere with free competition, and thereby constitute a substantial danger to the economic and general welfare of the Commonwealth of Pennsylvania; and

(6) in order to successfully resist and eliminate this situation, it is necessary to provide new remedies and procedures.

(b) Prohibited activities.--

(2) It shall be unlawful for any person through a pattern of racketeering activity to acquire or maintain, directly or indirectly, any interest in or control of any enterprise.
