Bucks County Detectives

Office of the Bucks County District Attorney

Case Number# 99-26-0322

On Tuesday, March 31, 2026, your Affiants received a complaint from the Bucks County Sheriff's Office against Deputy Sheriff Ryan Gaffney. The complaint alleged that on January 30, 2026, while in the process of executing an arrest warrant of an adult male who will be referred to herein as S.Z., at his residence of 1300 block of Frosty Hollow Road, Middletown Township, Bucks County, Deputy Gaffney had taken a photograph of S.Z. while he was naked from the waist down during the arrest. The initial complaint indicated Deputy Gaffney, who was in full uniform at the time of the incident, had used his cellular device to surreptitiously take a photograph of a male's genitalia while he was in the process of getting dressed. The photograph was then reported to have been shared with several female civilian employees inside the Sheriff's Office, along with several on-duty Deputies.

A review of the arrest incident report drafted by a Bucks County Deputy Sheriff indicated there were a total of five Bucks County Deputies present at the residence of S.Z., all of whom were in full uniform. When the deputies arrived at the residence, they made contact with S.Z. who was located upstairs in the bedroom. The report indicated S.Z. suffers from mental health issues and when they arrived it appeared he was in a mental health crisis. S.Z. was taken into custody without incident and transported to the Bucks County Criminal Justice Center.

On April 9, 2026, your Affiants met with a Bucks County Deputy Sheriff, herein referred to as Deputy 1, who was present at the time of the arrest of S.Z. Deputy 1 is a known source to your Affiants. Deputy 1 stated they were not aware at the time of the incident that Deputy Gaffney had taken any photographs of S.Z. Following the arrest, S.Z. was transported to the Criminal Justice Center. Upon their arrival at the courthouse, S.Z. was placed into a temporary holding cell without incident. Deputy 1 stated they witnessed Deputy Gaffney share a still image of S.Z.'s genitalia to female civilian employees in the office by showing them the still image displayed on his phone. The interaction was brief and "in jest" per Deputy 1. Three weeks following the incident, Deputy 1 stated they reported the incident to their supervisor.

Deputy 1 further disclosed that this was not the first time Deputy Gaffney had photographed a naked prisoner. They noted another warrant arrest that took place on December 26, 2024, where Deputy Gaffney allegedly took a photograph of a subject's naked buttocks while in custody. The photograph was reported to have been shared with the warrant unit, via text message, by Deputy Gaffney. Deputy 1 stated the photograph was sent from Deputy Gaffney's personal cellular device which they were able to identify based off the phone number. Your Affiants were able to confirm the telephone number was a Verizon Wireless based telephone number registered to Ryan Gaffney.

On April 2, 2026, your Affiants received body worn camera (BWC) footage of the Deputies who were on scene the day of the warrant arrest.

A review of Deputy Gaffney's BWC shows S.Z. standing in front of Deputy Gaffney in his upstairs bedroom wearing only a long sleeve maroon colored shirt, naked from the waist down. A Deputy Sheriff informs S.Z. he is naked and requests him to put on some pants. Shortly thereafter, S.Z. agrees to get dressed and sits down at the end of the bed to allow him to sit down and get dressed. S.Z. proceeds to sit down at the end of the bed facing Deputy Gaffney. Your Affiants reviewed Deputy Gaffney's BWC. At this time, Deputy Gaffney receives an alert on his smart watch located on his left hand. Deputy Gaffney is observed reading the message, then covers his BWC with his hand obstructing the visual recording. A review of another Deputy Sheriff's BWC, who was standing across from Deputy Gaffney, showed Deputy Gaffney look at his watch, then remove his glove from his right hand before removing a cellular device from his right pocket of his pants. Deputy Gaffney is further observed manipulating the cell phone in his right hand before placing the cell phone back in his right pocket of his pants. Deputy Gaffney again removes his cell phone from the right pocket of his pants, places his left hand over his BWC, and holds his cell phone up towards S.Z. who was sitting on a bench at the end of the bed

attempting to put on a pair of pants. The screen display on the phone appears to have had the camera application open before Deputy Gaffney is observed pointing the camera lens in the direction of S.Z. A review of the other Deputies' BWC also showed Deputy Gaffney raising a cellular phone in the direction of S.Z. and appeared to have been taking a picture with said phone.

The BWC equipment issued to Sheriff's Office personnel is operated under the AXON platform which allows system administrators to access and review the history and activity of all videos uploaded. These historical records are also known as AXON audit logs. A review of the AXON video audit logs specific to S.Z. arrest on January 30, 2026, indicate Deputy Gaffney did not access the BWC recording following the arrest until March 31, 2026, at 1752 hours, eliminating the possibility that Deputy Gaffney had shown sheriff clerks a still image or video of S.Z.'s genitalia through the AXON application on the day of the incident.

On April 22, 2026, a Bucks County Court of Common Pleas Judge reviewed and signed a search warrant, authorizing the seizure and examination of Ryan Gaffney's personal cellular device, with a limited scope of items to be searched for and seized, along with specific date ranges, as authorized by the Court.

Upon executing the search warrant, a forensic examination of Ryan Gaffney's personal Apple iPhone 15 Plus device was conducted. The extracted data was reviewed on April 23, 2026. The extraction and review of collected evidence were conducted by a Bucks County Detective who was not affiliated with this investigation. The Detective was provided with the limited scope of items to be searched for and seized prior to executing the search.

Upon review, an image file of another identified male, herein referred to as R.G., was located amongst the extracted data. This image file [IMG_7431.HEIC] depicted R.G., naked and

handcuffed, lying across a bed with his legs dangling off. R.G.'s exposed buttocks are visible in the photograph.

Additionally, an image file [IMG_1136.HEIC] of S.Z. was located amongst the extracted data. This image depicted S.Z., naked from the waist down and wearing a maroon sweatshirt, seated on a bench at the end of the bed.

Your Affiants viewed the two (2) aforementioned image files. The image file containing S.Z. is consistent with the male captured in the Bucks County Sheriff's Department body-worn camera (BWC) videos your Affiants viewed. Further, the angle at which the image file was taken is consistent with Deputy Ryan Gaffney's position in the room at the time.

On April 29, 2026, a Bucks County Court of Common Pleas Judge reviewed and signed search warrant 99-26-44-106, authorizing the seizure and examination of Ryan Gaffney's personal cellular phone, with no limiting search parameters.

A review of Deputy Gaffney's communications involving the dissemination of image file [IMG_1136.HEIC] indicated he had shared the image with two stored contacts from his personal device on January 30, 2026, following the arrest of S.Z.

A further review of Deputy Gaffney's communications involving the dissemination of image file [IMG_7431.HEIC] indicated he had shared the captured image with twelve contacts from his personal device on four separate dates.

On May 8, 2026, your Affiants met with S.Z. at his residence. S.Z. was made aware of the investigation and recalled the incident during which he was taken into custody by the Bucks County Sheriff's Office on January 30, 2026. When asked whether he was aware of a photograph

(B)

Bucks County Detectives

Office of the Bucks County District Attorney

Case Number# 99-26-0322

being taken of him by one of the Sheriff's Deputies at the time of his arrest, S.Z. responded that he was not. S.Z. further stated that he would not have consented to such a photograph being taken.

Metadata pulled from IMG.1136.HEIC indicated the photo capture time occurred on January 30, 2026, at 07:13:43 AM from camera model, iPhone 15 Plus. A review of one of the Deputy Sheriff's on scene body-worn camera footage from S.Z.'s arrest shows that, at approximately 07:13:43 AM, Deputy Gaffney was standing across from S.Z. holding a cellular device in his right hand with the rear camera directed towards S.Z.

Additionally, metadata associated with image file IMG_7431.HEIC indicates that the file was created on December 26, 2024, at 8:14am. The file properties further identify the image as having been captured using an Apple iPhone 15 Plus.

On April 6, 2026, Gaffney, along with legal counsel present, met with Bucks County Sheriff Daniel Ceisler and his investigative team at the Bucks County Sheriff's Office to participate in a voluntary interview related to the internal investigation made against him. The interview was recorded and reduced to a written summary. During the interview, Gaffney was specifically questioned about allegations that he had taken and sent photographs of inmates, including whether he used his personal cell phone during the arrest of S.Z.. According to the signed written statement, Gaffney responded, "I do not believe that. I utilized it for texting my wife, but in relation to the allegations? No." At the completion of the interview, Gaffney along with all participating parties, signed the statement acknowledging it was an accurate and truthful statement and were further advised during the interview that they would be afforded the opportunity to correct and/or amend the final written statement if they chose to do so.

On April 6, 2026, Sheriff Ceisler received screenshots received from Gaffney's legal counsel, which were purportedly taken by Gaffney of the photo library on his personal cellular device. These screenshots were later shared with your Affiants. The screenshots were taken from his photo library with the date range from January 18, 2026, to February 7, 2026. Gaffney further provided screenshots from the "recently deleted" folder of his photo library from the past 30 days. At Gaffney's direction, the screenshots were provided to Ceisler to mislead investigators into believing that no photograph existed when in fact the photographic evidence was still on Gaffney's phone. Your Affiants, however, learned through the forensic examination of Gaffney's cellular device the images of S.Z. and R.G. were still present on his device during the extraction made on April 23, 2026.

Based upon the investigation, your Affiants determined there is probable cause to believe that Ryan Gaffney used his personal cellular telephone to knowingly photograph prisoners while they were fully or partially naked and without any legitimate law enforcement purpose, electronically disseminate those images to third parties; and deceive investigators in order to obstruct their investigation into his criminal conduct.

A forensic examination of Gaffney's cellular device confirmed the existence of photographs depicting two fully or partially naked prisoners, identified as S.Z. and R.G. Metadata associated with image files established that the photographs were created using Gaffney's device. Furthermore, a comparison of the metadata from the photograph of S.Z. and timestamps with deputies' body worn camera footage further corroborated that the photograph was taken while in his custody.

Interviews conducted with individuals who received the photographs confirmed that the images were transmitted directly from Gaffney. Additionally, during the administrative investigation, Gaffney caused investigators to receive misleading screenshots of his photo library in an apparent attempt to falsely depict the absence of the photographs in his cellular device and

impede the investigation. Gaffney also made false and misleading oral and written statements regarding the existence and dissemination of the images in order to obstruct an investigation into his content.

Based on the evidence obtained, including digital forensic evidence, witness statements, and Gaffney's own statement and conduct, your Affiants believe there is probable cause to conclude that Ryan Gaffney committed the offenses of Title 18 Pa.C.S. §5301 Official Oppression, Title 18 Pa.C.S. §4904 (a) Unsworn Falsification to Authorities, Title 18 Pa.C.S. §907 Possessing Instruments of Crime, and Title 18 Pa.C.S. §5101 Obstructing Administration of Law or Other Government Function.

Your Honor, based on the facts set forth, Your Affiants respectfully request the defendant to answer to the aforementioned charges.

We, Detective Jeffrey Jumper #9944 and Detective William Mooney #9943, being duly sworn according to law, depose and say that the facts set forth in the foregoing affidavit are true and correct to the best of our knowledge, information, and belief.

We certify that this filing complies with the provisions of the Case Records Public Access Policy of the Unified Judicial System of Pennsylvania that require filing confidential information and documents differently than non-confidential information and documents.
